## JUNIOR LESSONS

Our Junior Golf program is designed to introduce and help improve the game of golf for juniors ages 5-17, while providing a positive and fun learning environment. Areas covered include rules and etiquette, putting, chipping and full swing. Level 1 (L1) classes are designed to teach the basic skills of golf to your Junior golfer. Level 2 (L2) is an advanced class that builds on what the student learned in the level 1 class. Your Junior golfer must complete a level 1 class at either Boomerang Links or Highland Hills to enroll in the level 2 class. Completion of levels 1 and 2 are required to enroll in the Level 3 (L3) class. The Level 3 class will further develop your junior's skills and get them ready to play competitive golf.

**Cost:** \$75 per student/per session

Registration begins April 1<sup>st</sup> at the Pro Shop of preferred golf course - Highland Hills or Boomerang Links. See you on the course!
